FFG will follow CDC and MSDE requirements for COVID safety, including but not limited to:

Daily temperature checks recorded for staff and students. No admission for 100.4 degrees +.

Staffs and students wear masks. Six-foot spacing for meals.

Parents wear masks at drop-off and pick-up, which take place at the door.

Children bring their own water bottles and apply sunscreen, first, at home.

Handwashing upon arrival, before and after meals, after using bathroom, and coming in from outside.

Indoor activities are planned to maximize social distancing and minimize shared supplies.

Outdoor activities planned as much as weather permits.

Sanitizing for supplies and for high-touch areas. Sanitizing bathrooms after each group usage.

No field trips, except walks to the outdoor areas of parks.

When school starts, children enrolled in school will bring their devices, headphones and hot spots to participate in their school requirements. [Program Details](#)

**Virtual Clubs** are another option for afterschool activities: [Virtual Clubs](#)
